Official translations of any documents not in English
If applying to study our ACCA qualification, you will need to upload evidence that you meet our minimum entry requirements

What you need to know:
The application process will take around 10 minutes to complete
You will have the opportunity to apply for exemptions during the process
We work in partnership with national accountancy bodies in certain countries, so you may also need to register with another local organisation and pay additional charges. Check the list of Joint Examination Schemes to see if this applies to you
