- Achieved a minimum of 90% attendance across all modules
- Submitted all assessments (if an Assessment Offence is proven, this assessment will be considered as a non – submission)

The eligibility of students will be assessed at the end of trimester 1 and trimester 2. Payment:

- For qualifying students, the payment will be £250 after the assessment results are confirmed for trimester 1, and £250 after results are confirmed for trimester 2.
- You will be notified by e-mail as to what date you can expect a payment to be made.
- Should you qualify for the Travel Bursary, you will be able to enter your bank details in a secure repository on VLE which will be used by the Finance Team to make the payment. You will be solely responsible for ensuring the accuracy of these details. ARU London will not be liable for any loss as a result of incorrect payment details.

This bursary is designed to cover transport costs and as a result, it is linked directly to your use of transport to attend university.

Attendance Monitoring

- You can keep track of your attendance online through the VLE and this is updated on a daily basis.
- Please note that if you touch in or failed to enter the zoom meeting later than 10:30 am (if you have a lecture in the morning) and 2:30 pm (if you have a lecture in the afternoon), you will be marked as absent.
- If you believe you are having a technological issue with your attendance card, please make an attendance enquiry through VLE for assistance.

ARU London reserves the right to withdraw the bursary at any time if deemed necessary. If a student is found using any attendance card other than their own, they will disqualify themselves and any other parties involved from receiving any future bursaries and will be subject to disciplinary proceedings.
