This screenshot shows the same 'Student finance application' page, but with the question 'Will you get any income that isn't from employment or self-employment during academic year 2021/22?'. The progress bar remains the same. Below the question, there are two sections: 'Other income might include:' with a bulleted list: 'interest or dividends from savings or investments (gross)', 'rental income', and 'money from trusts or sponsorships'; and 'Don't include:' with a bulleted list: 'personal gifts like birthday presents', 'investments you don't pay tax on eg ISAs', 'child maintenance payments', 'state benefits you don't pay tax on eg Child Tax Credits', and 'student loans or grants from the Government'. A blue 'Back' link is visible on the left side of the page.

Once you have completed this section you should be able to see the summary page. Select “Save and Continue” to move on to the next section of the form.

33) Continue to fill out all of the remaining sections with accurate information including your bank account details and additional contacts details (optional).
