

LATE/EXTENSION SUBMISSIONS GUIDE

Students can submit their assignment up to **two** working days after the deadline – **late submission**. If they submit until midnight on the day of the deadline, 10 % will be deducted from the assignment marks. If the assignment has been submitted after midnight but up to 48 hours after the deadline, the element will be capped at 40%.

Students, who have an approved **extension** can submit their assignment as per their new deadline directly on VLE.

For **Late** and **Extension** submissions, please follow the next step.

The 'Late & Extensions' menu item is highlighted with a red border. Below the navigation bar, a 'Late & Extensions' sub-menu is open, displaying two options: 'Turnitin APS 011 Coursework - Late Submissions and extensions ONLY' and 'I WANT TO CHECK MY TURNITIN SIMILARITY SCORE BEFORE SUBMITTING'. The first option is highlighted with a red border and has a red arrow pointing to it with the text 'SUBMIT ASSIGNMENT' and 'THE WORK SUBMITTED HERE WILL BE MARKED'. Below this option is a black button with a white hand cursor icon and the text 'Click the link above to submit your assignment'. The second option is also highlighted with a red border and has a red arrow pointing to it with the text 'CHECK SIMILARITY' and 'THE WORK SUBMITTED HERE WILL NOT BE MARKED'.

Please note: Re-submission in this area will not be allowed.
